Re: Second Filing of CSDVRS and CSD Comments
CG Docket No. 03-123

Dear Ms. Dortch:

Attached is a second version of the comments timely filed in response to the FCC's Public Notice DA 08-607, which seeks to refresh the FCC's record on a global numbering plan for Internet-based text and video relay service users. CSDVRS and CSD timely filed its comments in this proceeding on April 8, 2008, as directed in the public notice. Those comments separated out the diagrams from the text of the comments. This version integrates the diagrams into the text. No new content is being provided in this version of the comments.

Sincerely,

Karen Peltz Strauss
